It's not too late!

You've still got hours--more than an entire day, even--to find that last minute gift for the special RVer or boater on your list. If you're looking for a super quick and easy gift (and at this late hour, I bet you are), visit our website to buy your special guy or gal a ticket to our [23rd Annual Manufacturers RV & Boat Sale](#), which runs Jan. 7-17 at the [Alameda County Fairgrounds](#). It works great as a stocking stuffer! While you're on our site, grab a ticket for yourself so you can attend the show, too!

If you're also looking to pick up a few boating baubles or RV accoutrements in your last-minute shopping frenzy, check out

the gift ideas below. But you'll probably want to hurry so you don't miss out.

Good luck out there--the roads are packed and so are the stores, so drive safe and take your time. Most important, remember to take a deep breath and remember this is the time of year to be merry, be happy and be thankful.

From our family to yours, have a wonderful holiday and a very Happy New Year!

### Last Minute Gift Ideas

**1) Tide Watch:** This very cool [tide watch](#), available at West Marine, provides detailed tide information, including a tide calculator and highest tide function. Oh, and it tells time, too.

**2) National Parks Annual Pass:** This [annual pass](#) to any national park in the country comes at a very reasonable price. But the experiences your special RVer will have, and the natural beauty they'll witness when visiting these parks...you guessed it. Priceless.

**3) Infrared Propane Grill:** This little beauty works just as well on a speed boat as it does in your RV. It will grill that freshly-caught trout or a juicy steak marinating in the cooler to perfection, using state-of-the-art infrared technology that packs 13,000BTUs of heat onto 145 square-inches of grilling space. Bon appetit!

**4) Good Sam Club Membership:** Discounts, free RV magazines, advice and tips... the perks of belonging to the Good Sam Club goes on and on. A [membership](#) to the club billing themselves as the World's Largest RV Owners Community is always a good thing. And a one-year membership is only \$19. Doesn't get much better than that!
